RE: Bid Tabulation Analysis, Lyon Blvd., RFB 0009-09-PL

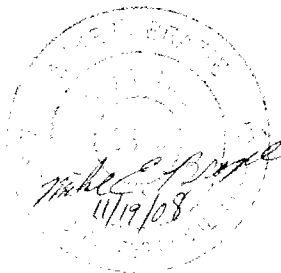

Dear Phillip

Gannett Fleming West, Inc. (GFW) has completed an analysis of bids for the referenced project. Bids were received and analyzed from the following contractors, in order from lowest to highest bids (total bid including allowance but excluding NMGR):

RANK	BIDDER	BID
1	Mountain States Constructors, Inc.	\$ 717,961.90
2	Star Paving Company	\$ 753,948.99
3	Armour Pavement	\$ 755,616.27
4	TLC Plumbing & Utility	\$ 788,182.90
5	Albuquerque Asphalt, Inc.	\$ 839,981.18
6	Construction, Contracting & Management, Inc..	\$ 848,361.95
7	Salls Brothers Const., Inc	\$ 869,710.87
8	A.S. Horner, Inc.	\$ 930,793.00
9	Universal Constructors, Inc.	\$ 1,029,066.85

GFW's bid tabulation analysis found two mathematical errors, neither of which altered the outcome of the bidding. Albuquerque Asphalt had an error of \$2.00 and Salls Brothers had two errors totaling \$140.08. Correction of those errors did not change the ranking of the bids.

On the basis of our bid tabulation analysis, GFW recommends the low bidder of Mountain States Constructors, Inc. If you have any questions concerning our analysis or recommendation, please contact me at (505) 265-8468.

Sincerely,
GANNETT FLEMING WEST, INC.
